

## The Hampshire Dome: General Rules

- At The Hampshire Dome, we take pride in our facility. Please help us by respecting the area and placing trash in proper receptacles.
- Please respect those using track or rollerway by keeping those areas clear.

### General:

1. The Hampshire Dome is a public facility. There are no Dome memberships; we offer special privileges to Hampshire Hills' members, including use of track, rollerway, and walk on field time at no charge along with discounts on golf.
2. People enter and leave through the revolving door at all times, except during an emergency. We have 7 emergency exit doors located along the side of the building and 6 emergency exit doors in the front lobby area.
3. Since the building is held up by air pressure, opening an exit door in the absence of a life emergency situation is strictly prohibited.
4. If someone is bringing in a stroller, bike, or other device they may use the handicap door, but must make sure that one door is closed before the other is open. Most strollers and children's bikes will fit through the revolving doors.
5. Please, no food beyond the safety wall or between the lobby and the rollerway.
6. Prior approval is required for members of the public to provide food to people in the Dome.
7. Please be respectful of the building and pick up after yourself.
8. As a spectator, you are allowed to bring in your own chairs to view games. There are no bleachers.
9. No spitting or gum chewing while using fields or the track.
10. The athletic training area, mats, and equipment are off limits to anyone not working with a Dome approved trainer.
11. Field changes are on the hour or half-hour. 5 minutes prior to change over, groups on fields should begin preparing to exit.
12. Please be respectful when other organizations are renting field space. Please walk around the outside of the fields.
13. No ball playing in the lobby, track or rollerway.
14. Tuesday/Thursday nights after 8pm we allow high speed biking on the rollerway; consequently, during those times the fields, track and rollerway are open to adults only, unless permission is obtained in advance.

### Track:

1. Five laps around the track equal one-mile.
2. Participants DO NOT have to travel in any certain direction.
3. Parents/guardians who have a child in a sports clinic or league may walk the track at no charge while their child is on the fields.

### Rollerway:

1. Participants must wear a helmet and we require knee, elbow, and wrist guards for rollerbladers under 18 years old. We recommend that all rollerbladers use wrist guards.
2. All cycles or rollerblades must be clean and free of street debris and dirt.
3. Participants must travel in a Counter clockwise motion while on the rollerway and slow down near the front of the building where people may be crossing.
4. Rollerway fees are \$7.00 for non-members and free for members. Parents/guardians who have a child in a sports clinic or league MUST pay the additional cost for the rollerway.
