

Hampshire Dome Youth Soccer League and Youth NFL Coed Flag Football Leagues

New Team Registration Directions 2024

How to register a Youth NFL Flag Football Team or Youth or High School Soccer team?

To register a team please email Sean Wisbey, Athletic Director the following by email at swisbey@hampshirehills.com

- (1) Soccer or Flag Football Team
- (2) Age group desired
- (3) Team Name if Soccer
- (4) Coaches names, emails and emergency cell numbers
- (5) (Flag only) What three NFL teams would you like for Jerseys or do you not need them

Once I receive this information I will send you a [Coaches child registration link](#) at a reduced rate to register the team and your child. This is for the Head Coach and one assistant only per team. I will then set up a team payment tab for your group and email you a link to send Parents so they can register their child.

Once you receive the payment links and the team is set up online all coaches must download the following off the new [forms and Policies link](#) on our website:

- (1) Team Registration Form
- (2) Coaches Code of Ethics (Must only be submitted once per winter season)
- (3) National Background Screening Form (Once every three years)

Starting Nov 1st, 2024 every youth player will need to bring proof of a birth certificate to the Age Verification table 45 minutes prior to the start of their first scheduled competition. Once a player is verified by our staff you will no longer have to submit proof for any future sessions. We do not plan to keep any copy of anyone's birth certificate but you must verify now prior to participating in our leagues so you are in our leagues roster binder that we keep at the Dome front desk.

Coaches will need to complete a **Team Roster Form** and submit it 3 days prior to the first schedule game of any session. All Registered player will be made aware of this prior to starting a session. The form is located on our website under the forms and policies link.

All Coaches are required to complete the following:

Ask all players to read our [Players code of conduct](#) and ask all parents to review the [Parent code of conduct](#) and [review the rules of play](#).

For any question please email Sean Wisbey Athletic Director at swisbey@hampshirehills.com
